Self Service Events

Guests love to be pampered and served, but sometimes the event just makes more sense for them to help themselves to drinks and goodies. So, if you're looking for an organized hands-on experience, then we have you covered!

We offer city-wide delivery with complimentary set-up as well as complimentary in-store pickup! You can choose from any of our products and platters for this type of event service.

As we mentioned in the previous page, we can create delicious products for any sized gathering! Our wedding dessert tables are one of our most popular self-service types of events, where guests can graze till their hearts content! We offer an array of beautiful display rentals that elevate the entire experience! Your guests won't be able to stop taking pictures of and before you know it, it will all be devoured!

Corporate events commonly feature hot drink tables from our a la carte drink options like coffee jugs-to-go, house-made lemonade, and Belgian hot chocolate. If you're looking for the full morning experience, we offer continental breakfast! It includes our scratch-made pastries, juice, coffee, and fresh fruit.

Both self-service types include all the supplies and materials you will need for your event.
